General Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore

Sir,

Adverting to G.O. No.G.4866-71 Sany. 65-28-10 dated the 5th October 1929 in re. the agency for completion of the Malnad Improvement works sanctioned by the District Malnad Improvement Committee, I have the honor to forward herewith for favour of orders, a copy of letter No. 137-29 dated the 15th Jany. 30 from the President, District Board Hassan, and to state that as already stated in my letter No.C.821-26 dated 14th Septr. 26 it is not desirable that the agency should be changed at this distance of time. In the interests of the work, I think that all incomplete works may be left in the hands of the Village Panchayet Inspectors under the supervision of the Amildars of Taluks concerned, and a lumpsum allotted and placed at my disposal to meet the expenditure on that account out of the Malnad Improvement budget sanctioned for the year.

I request you to kindly place the matter before Govt., and obtain their orders on the subject.

I have the honor to be,
S i r
Your most obedient servant,

S. Kuppuswamy

for Deputy Commissioner,
Hassan District.

Letter No. 137-29/L.F. dated the 15th Jany. 30, from the President District Board, Hassan, to the Deputy Commissioner, Hassan District.

With reference to your No. C.821-26, dated 14th Septr. 29, forwarding records relating to the M.I. Scheme and suggesting to entrust such of the marginally noted works that were started by the District Malnad Improvement Committee to the Village Panchayet Inspectors who were hitherto supervising them tc., I have the honor to state that this subject was considered by the District Board Malnad Improvement Committee meeting held on 5th Octr. 1929 and the committee resolved as follows:-

1. Balegadde
2. Honkaravalli road.
3. Abban-Magge road.
4. Belgode well
5. Hanbal-well.
6. Konanur well.
7. Arehalli well.
8. Hirigarge well.

" There is no guarantee that the amount allotted for these works will be expended without allowing a lapse in which case there will be no funds for the District Board to carry out -the intended programme, on the other hand money available will lapse. Further, estimates may undergo revision in which case this committee and the District Board will be in a false position in dealing with them owing to duality of control.

The District Board will have no option to supervise the work, which they have to consider and sanction the revised estimate. Difficulties arise also as to final check measurements to be taken. Hence the committee consider that the records pertaining to these incomplete works be transferred to District Board for further execution on the works undertaken without allowing it to lapse"

The District Board have at their meeting held on 30th Novr. and 1st Decr. 29, approved the above resolution of the M. I. Committee. I therefore request that you will be so good as to kindly cause to forward the said work records early to this office.

Sir,

As desired in your letter No.G.11067/Sany.15-29-5 dated the 13th March 1930, I have the honour to appendin the margin@

Note:- All these works are expected to be completed before the end of the next official year 1930-31

a list of incomplete M.I. works of this District which are under progress through the agency of the V.P.Ispectors, with necessary particulars required.

2. In this connection, I may mention that with regard to these work, which are under progress through the agency of the V.P.Inspectors, the account procedure of meeting the cost of the works from out of the District Board Funds in the first instance and recouping the same from state funds on as audited bills in due course as prescribed in your letter No.G.11100/Sany.65-28-13 dated 13-3-1930, does not seem to be suitable, as by such a procedure the work bills will have to go to the District Board from the Amildars of Taluks through this office and there would be delay in

in the settlement of contractor's claims and the progress of works would be retarded.

3. As already suggested in my letter No.821-26 dated 24-1-1930, a lump-sum out of the M.I. grant may kindly be placed at my disposal to meet the cost of these works.

I have the honour to be,
